ABOUT US

Perfect House Private Limited

*has been a family-owned company since 1960. Originally focused on trading in machinery spare parts, the company has expanded its operations to include the manufacturing of large diesel generators up to 3000MW. **Recognizing the significance and complexities of Renewable Energy and IT Solutions**, the company has diversified its business to include solar energy and a wide range of IT solutions. As part of this expansion, Perfect House Private Limited has revisited and revised its Mission and Vision statements, which are outlined below..*

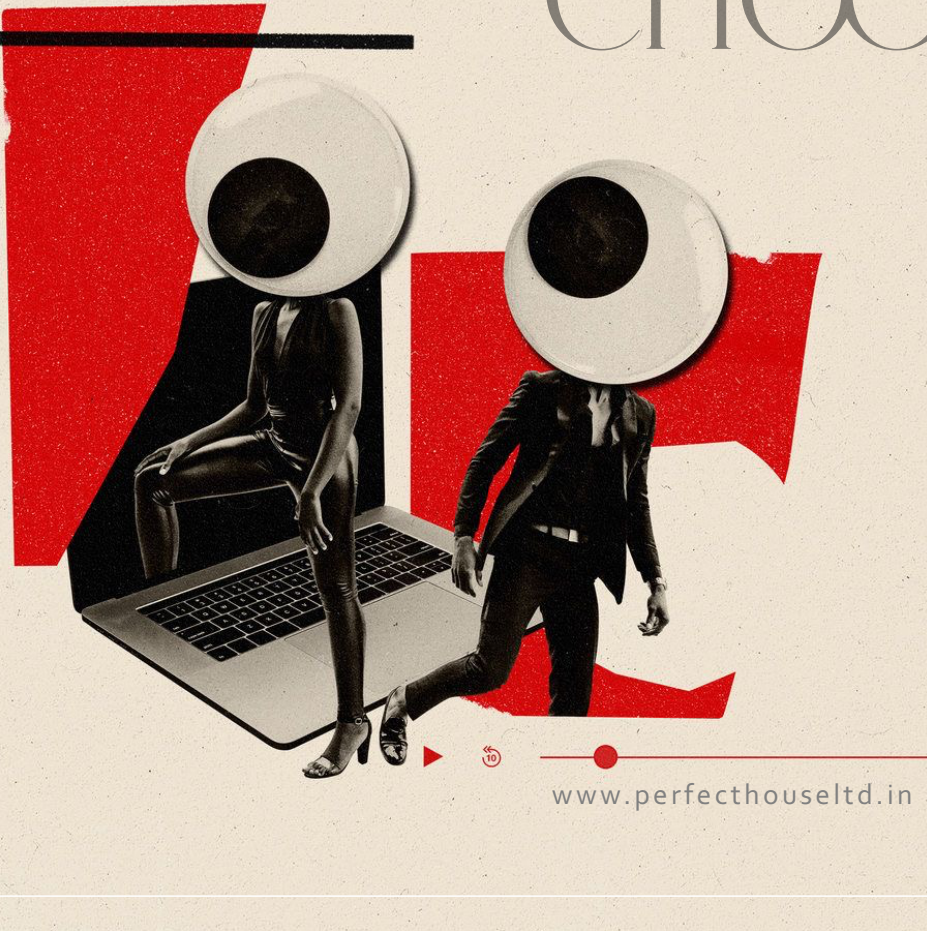

VISION MISSION

We aim to be among industry leaders with a core belief in "creating solutions to make life easier". We strive to be socially responsible & customer - centric employer with a global footprint.

*Our mission is to continually develop quality solutions while maintaining profitability for our customers, employees and community. **We aim to fuel the nation's growth by offering leading-edge technology** and harnessing our state-of-the-art manufacturing infrastructure with the help of passionate and energetic team. Being a responsible corporate, we are committed to rigorous environmental, social, and governance practices to ensure a sustainable and inclusive path for future generations.*

WHY CHOOSE US

www.perfecthouseltd.in

TRUST

We have been a well-established company since 1960, **providing our customers with round-the-clock service for over 50 years.** Our customers have developed a strong sense of trust in us, and we firmly believe that trust is the cornerstone of our foundation.

PRICE

We strongly adhere to the principle of offering fair pricing. Our primary focus is to guide our customers honestly and transparently. **At our company, we prioritize loyalty to providing the right price rather than solely pursuing profit.**

REPUTATION

Reputation is of utmost importance to us, as we value the trust and confidence of both our suppliers and customers. We understand that market perception and knowledge about our company and employees play a crucial role in establishing and maintaining that confidence.

CORE VALUES

We strongly believe that our journey is not fulfilled unless we embrace the noble purpose of giving back in the end. **Our efforts are dedicated to tackling and resolving significant issues related to education and poverty.** Through our diverse corporate social responsibility endeavours, we have positively impacted the lives of countless individuals.
